

## Agenda Kickoff Meeting: Update Roadmap For Large Research Infrastructures in Chemistry 2029-2032

Online: Zoom-link provided through registration for the event

Date: March 21<sup>st</sup>, 2024, from 09:30 – 11:30

### Agenda

1.	09:30	<b>Welcome</b>	R. Buller
2.	09:35	<b>Roadmaps process general:</b> <ul style="list-style-type: none"> <li>- Scope, purpose, process, contributors and stakeholders of the Roadmaps for Large Research Infrastructures in Switzerland</li> <li>- Status of the LRI roadmap 2025-2028</li> <li>- What is expected for the Roadmaps 2029-2032?</li> </ul> Questions	R. Buller S. Hofmann  All
3.	10:00	<b>Chemistry Roadmap and its update</b> <ul style="list-style-type: none"> <li>- Overview of the Chemistry Roadmap 2025-2028</li> <li>- Short discussion about necessary updates and/or missing infrastructures</li> </ul>	R. Buller All
10:15 Short Break			
4.	10:25	<b>Working groups</b> <ul style="list-style-type: none"> <li>- Roles</li> <li>- Definition of chair per working group</li> </ul>	All
5.	10:50	<b>Editorial board</b> <ul style="list-style-type: none"> <li>- Role</li> <li>- Definition of editorial board</li> </ul>	R. Buller
6.	11:05	<b>SCNAT</b> role and support	S. Hofmann
7.	11:15	Questions	R. Buller
