

Swiss Chemical Society

Swiss Chemistry Science Night 2024

A Celebration of Chemical Research

September 20, 2024, 17.00 – 23.00
Casino, Bern

SCS
Swiss Chemical
Society

The Swiss Chemistry Science Night

This annual gala event celebrates discoveries and innovations in the chemical sciences and recognizes outstanding achievements by members of our community.

The event honors the laureates of the 2024 SCS Awards in front of renowned personalities from industry and science as well as representatives from politics and the media and offers a unique platform for exchange.

Program

- 17.00 Aperitif
- 18.00 Opening and Welcome Messages:
Christian Bochet, SCS President
Benoît Dubuis, President of SATW
- 18.25 Success stories from innovative Startups:
Obiotec, UniteLabs, Godbot, BLOOM
Moderated by Agnes Zoller, InnoGrant Advisors
- 19.00 Celebration of the SCS Award Winners 2024, part 1
- 19.15 Dinner
- 20.30 SCS fun quiz
Celebration of the SCS Award Winners 2024, part 2
- 22.00 Dessert and coffee
- 23.00 Official end

Moderated by *Rachel Hevey*, University of Basel and co-chair of the Swiss Women in Chemistry Network and *Stefan Abele*, Pharvaris and member of the Board of the Division Industrial & Applied Chemistry.

Location

Casino Bern, Casinoplatz 1, 3011 Bern
Grosser Konzertsaal + Foyer Süd
casinobern.ch, indoor parking next door

Overnight stay in Bern

For accommodation possibilities we recommend Hotel Bern (hotelbern.ch) or Hotel Kreuz (kreuzbern.ch).

The event is supported by our SCS Partnership companies.
