**Swiss Association of Computational Chemistry (SACC)**  
**Spring Meeting, Bern, Friday, 5. February 2016**  
**Membership Fee 2016**

Dear Colleague,

In the attachment you find the announcement for the Spring Meeting 2016 of the Swiss Association of Computational Chemistry (SACC) taking place on Friday, 5. February at University of Bern, Chemistry Building. For this years meeting we have six main speakers and a poster session planned.

Please **register** for the event at the following link:

**[www.scg.ch/sacc](http://www.scg.ch/sacc)**

Before the lunch break there will be the General Assembly (GA) of the SACC. Agenda items for the GA have to be communicated to the President of SACC no later than a week prior to the meeting.

We have also attached payment instructions for the 2016 membership fee. The fee for single memberships remains unchanged at CHF 30.-. There is the option for group membership at CHF 100.-. At this point we would like to acknowledge the excellent response to membership fee calls in previous years. The fees collected will entirely be used to finance activities of the SACC. As a member of the SACC you support the annual Spring Meeting and the Computational Chemistry program at the Fall Meeting of the Swiss Chemical Society.

We hope to see you in Bern on 5. February

Jürg Hutter  
President SACC

## Membership Fee 2016

*Thank you for contributing to the Swiss Association of Computational Chemistry (SACC) by paying the membership fee.*

- Group Membership    100.-- sfr
- Single Membership    30.-- sfr

*Please pay the membership fee via wire transfer to our bank account:*

*PostFinance Ltd  
Mingerstrasse 20  
3030 Bern  
Switzerland*

*IBAN: CH33 0900 0000 1749 2954 6  
BIC : POFICHBEXXX*

*Thank you*

*Jürg Hutter, President SACC*
