

Dr. Gerhard Müller
Senior Vice President Medicinal Chemistry
Mercachem bv

organizer of the 11th Swiss course on medicinal chemistry, 2014, Leysin

Education:

Technical University, Munich, 1989 – 1992

Ph.D. in Organic Chemistry, 1992, Prof. Dr. Horst Kessler

Johann Wolfgang Goethe Univ., Frankfurt,
1984 – 1989

Study of chemistry, Diploma in Organic Chemistry, 1989

Research and Management Experience:

Mercachem bv, Nijmegen, NL: since 2011

Senior Vice President Medicinal Chemistry

Proteros fragments GmbH, Munich, D: 2008-2011

Chief Scientific Officer and Managing Director

GPC-Biotech AG, Munich, D: 2005 – 2008

Vice President Drug Discovery

Axxima Pharmaceuticals AG, Munich, D: 2003 – 2005

Chief Scientific Officer

N. V. Organon, Oss, NL: 2001 – 2003

Section Head Lead Finding – Medicinal Chemistry

BAYER, Central Research, Leverkusen, D: 1994 – 2001

Senior Research Scientist and Project Manager

GLAXO, Medicinal Chemistry Dept., Verona, Italy: 1993-1994

Scientist Medicinal Chemistry

Fellowships and Awards:

- Scholarship from the "Studienstiftung des Deutschen Volkes", 1988 – 1990
- Ph.D. grant from the "Fonds der Chemischen Industrie", 1990 – 1992
- Recipient of the "Freidrich-Weygand-Prize" (Max-Bergmann-Society) for innovations in the field of molecular modeling on bioactive peptides and peptidomimetics, 1994
