

## Amy E. Fraley

Amy E. Fraley is the Assistant Professor of Medicinal Chemistry in the Department of Chemistry and Applied Biosciences and the Institute of Pharmaceutical Sciences at ETH Zürich. She obtained her B.S. in Chemistry at Millersville University of Pennsylvania in 2014 and Ph.D. in Medicinal Chemistry at the University of Michigan in 2019, where she worked with Profs. David Sherman and Janet Smith. After postdoctoral training with Prof. Jörn Piel at the ETH Zürich Institute of Microbiology, she joined ETH Zürich as an assistant professor in 2024 where her group focuses on natural product biosynthesis and bio-inspired strategies for sustainable chemistry.
