

Handout for accompanied persons/visitors

Dear Visitors

We would like to welcome you to our location. The safety of our visitors is of great importance to us. For this reason, visitors are only permitted to enter the site if they are accompanied by Bachem employees. Follow the rules and regulations that we have, they are for your personal safety and allow for operational order. . We therefore ask you to carefully read and follow the requirements, rules and regulations listed below.

Thank you very much!

General safety regulations

- Please carry a valid visitor badge visible on you at all times.
- You are familiar with the most important general safety regulations of Bachem AG.
- Please follow the instructions of the Bachem staff.
- In the event of a building evacuation, please contact your Bachem contact person and go to the meeting point of the building in question.
- Please report to your Bachem contact person before leaving the premises.
- Non-Ex-protected devices such as mobile phones or laptops are not permitted in Ex zones.

Personal protective equipment required

- Please wear safety glasses and a disposable laboratory coat in laboratory and production rooms. You will receive both from your accompanying Bachem person.

As a visitor, you must follow the rules described in this handout. The contact person, as well as other employees authorized to give instructions, are entitled and obliged to break off the visit in the event of non-compliance and to accompany you immediately to the exit and to remove the visitor pass.

We wish you an interesting and informative stay at Bachem AG.
