

SCS Spring Meeting 2016

# Green Chemistry

and Werner Prize Lectures 2016

April 22, 2016, 9:30 – 17:00  
University of Zurich  
Winterthurerstrasse 190, 8057 Zurich

Published by:  
Swiss Chemical Society (SCS)  
Haus der Akademien  
Laupenstrasse 7  
3008 Bern

**SCS**  
Swiss Chemical  
Society

## Local Organization and Chairs of the Meeting

Prof. Roger Alberto, ariel@chem.uzh.ch  
Prof. Greta Patzke, greta.patzke@chem.uzh.ch  
University of Zurich

## Venue

University of Zurich  
Department of Chemistry  
Lecture Hall G 45, Irchel Campus  
Winterthurerstrasse 190  
8057 Zürich

### Traveling by train

At the Zurich main station take **tram line no. 7** to the stop Milchbuck and walk through the Irchel park. Alternatively, take the **tram line no. 10** to the stop Universität Irchel, cross the bridge and walk through the park to the department.  
Swiss Railway timetable on [www.sbb.ch](http://www.sbb.ch)

### Traveling by car

A large parking garage is available on the campus.

## Program

---

9.30	Welcome coffee, registration Commercial Exhibition
------	---

---

10.00	Opening, welcome Prof. Roger Alberto, Prof. Greta Patzke
10.05	<b>Prof. Martyn Poliakoff</b> , University of Nottingham «Towards Greener Photochemistry»
11.00	<b>Prof. Paul T. Anastas</b> , Yale University «Green Chemistry: The Chemistry of Sustainability»
12.00	Ceremony Werner Prize 2016
12.10	Werner Prize Lecture <b>Prof. Maksym Kovalenko</b> , ETH Zurich and EMPA Dübendorf «Nano- and single-crystals of lead halide perovskites: from bright light emission to hard radiation detection»

---

12.50	Lunch / Commercial Exhibition
13.30	SCS General Assembly 2016

---

14.00	<b>Dr. Thomas Güttinger</b> , Process Development Specialty Chemicals at BASF «Green Process Development @ BASF: A Short Walk through the Basic and Specialty Chemicals Landscape»
15.00	<b>Prof. Walter Leitner</b> , RWTH Aachen «Carbon Dioxide as Raw Material for the Energetic and Chemical Value Chain: Challenges and Opportunities for Catalysis»
16.00	<b>Prof. Paul J. Dyson</b> , EPF Lausanne «Enhancing sustainable catalytic processes with ionic liquids»

---

17.00	Closing remarks Aperitif and networking event
-------	--

---

Free admission

Please register on [www.scg.ch/springmeeting/2016/](http://www.scg.ch/springmeeting/2016/)

## Sponsors and Exhibitors

We cordially thank the following institutions and companies for their generous support:
