Swiss Chemistry Science Night 2025

A Celebration of Chemical Research

September 19, 2025, 17.00 – 23.00
Casino, Bern

SCS
Swiss Chemical
Society

The Swiss Chemistry Science Night

This annual gala event celebrates discoveries and innovations in the chemical sciences and recognizes outstanding achievements by members of our community.

The event honors the laureates of the 2025 SCS Awards in front of renowned personalities from industry and science as well as representatives from politics and the media and offers a unique platform for exchange.

Program

17.00 Door opening and aperitif

18.00 Welcome:

Prof. Christian Bochet, SCS President, Uni Fribourg

Keynote addresses:

Gerhard Andrey, Nationalrat, GRÜNE Freiburg

Dr. Annette Luther, President scienceindustries, Roche

Celebration of the SCS Award winners, part 1

Panel Discussion: «Innovation as guarantee for success in a multi-polarized world?»

19.15 Dinner

21.15 Celebration of the SCS Award winners, part 2

22.00 Dessert, coffee

23.00 Official end

The event is moderated by *Dr. Maud Reiter*, dsm-firmenich and *Prof. Karl Gademann*, University of Zurich.
